By completing and signing this application form, the undersigned hereby certifies that the information and representations contained within my Lawyer Referral Service application are accurate. Pursuant to the Ohio Code of Professional Responsibility (DR 2-103) LRIS Regulation 400, I hereby waive the right to privacy granted pursuant to Gov. Bar R.V., Section 11(E) to the extent necessary to permit the Lawyer Referral Service to be informed or inquire as to the existence of any grievance proceeding against me. I further understand that I shall provide written notice to the Lawyer Referral Service of any grievance filed or brought against the undersigned. In joining the Referral Service, I understand that I must use a fee agreement with my referred clients and the acknowledgement of understanding form as prescribed by the Supreme Court.

ATTORNEY CERTIFICATION

I, hereby certify the undersigned in good standing with the Ohio Supreme Court and the Akron Bar Association agree to participate in the Lawyer Referral & Information Service. I certify that I carry malpractice insurance issued by (company) _____

covering the areas I have selected, Policy No. _____ with coverage provided from _____ to _____. I further agree to hold harmless from any claim, any officer, committee member, or Bar staff from any liability in connection with a referral. I have provided to the Referral Committee, along with this application, a copy of that portion of my malpractice application which verifies coverage in my areas of legal practice.

In the event LRIS requires additional information concerning my qualifications, I will furnish it by separate letter which, at my request, will be kept confidential. I consent that my name be classified at the discretion of the LRIS Committee or withdrawn from classification at any time, provided that I may withdraw it at any time upon written notice to the LRIS.

I agree to furnish a one-half hour consultation and collect a \$30.00 fee for any client whom I have been notified is being referred to me unless I am notified that the fee has been waived by the LRIS or paid in advance to the LRIS. If further consultation or legal service is required, I will make a written fee agreement in advance with the referral client concerning the amount of the fee to be paid by the client. On any referral which generates a fee of over \$200.00, I agree to remit 15% of the amount of the fee which I receive that is in excess of \$200.00 to the Akron Bar Association LRIS within ten (10) working days of receiving the fee. I specifically agree that I will not raise the fee I charge to the client above those I normally charge for the same or similar services to offset the fee which I pay to the LRIS. I agree to disclose this fee arrangement with the client within the written fee agreement if I accept a case referred by the LRIS. If co-counsel is engaged, the co-counsel attorney will abide by the percentage fee arrangement, or I will be responsible for the entire fee generated in the engagement.

I further agree that I will keep accurate records of all cases sent from the LRIS to me and properly respond to inquiries by the LRIS office, written or oral, regarding any referrals sent to me. I agree that I will promptly remit all consultation fees and percentage fees to the LRIS. I understand that the brokering of clients or cases referred by the LRIS to me is not permitted under any circumstances. I agree that I will provide each client with a signed copy of the fee agreement which we enter into, along with a signed copy of the Acknowledgement of Understanding form sent to me by the LRIS. I will also provide the LRIS office with a signed copy of the Acknowledgment of Understanding Form.

I understand that if a dispute develops between me and the LRIS regarding the amount of the percentage fee to be remitted to the LRIS for any case, that the fee dispute will be referred to mandatory and binding arbitration as conducted by the Fee Arbitration Committee of the Akron Bar Association. I understand and agree that I am waiving my right to a trial by jury regarding any such fee dispute which may develop between myself (the lawyer) and the LRIS. I further understand and agree that if a dispute should develop between me and the client regarding payment of the attorney fee, I will notify the LRIS in writing of such dispute. The fee dispute will then be turned over to the Fee Arbitration Committee of the Akron Bar Association. If the fee dispute cannot be resolved by the Fee Arbitration Committee, then I understand and agree that I may pursue individual collection action or efforts against the client, pursuant to the Code of Regulations for LRIS.

I understand and agree that violation of any of the above-stated rules may result in my removal from the LRIS. I agree to be bound by the terms of the Akron Bar Association Code of Regulations of the Lawyer Referral Service. I understand and agree that violation of any of the Code of Regulations of the Lawyer Referral Service of the Akron Bar Association may also result in my removal from the LRIS, as further described in the Code of Regulations.
