

Common Pleas & Appellate Courts Committee
Meeting Minutes
October 28th, 2009

Present: Neil Agarwal, Hon. Clair Dickinson, Rich Fry, Bob Gippin, Margaret Kanellis, John Reyes, Larry Scanlon, C. Michael Walsh, Bruce Wilson

The committee continued their discussion on the lack of funding for criminal appointments. Larry had a discussion with Russ Pry, and was left with the impression that the funding problem is up for the courts to solve. The committee discussed the idea of approaching County Council to point out the obligation of providing this constitutional right, and all agreed that this idea is worth exploring. Larry will approach the Criminal Law Section chair and will discuss the idea with the committee's ex-officio to get a better idea on what the Board's reaction might be.
